

Ventana Ventures – About Us

Ventana Ventures is a founder-focused gaming VC dedicated to driving innovation in the gaming ecosystem. Founded in 2021, we function as a micro VC and specialize in pre-seed and seed-stage investments, empowering early-stage Indian gaming start-ups.

We focus beyond game developer funding by offering expert mentorship and strategic support, equipping Indian start-ups for the dynamic landscape of the gaming market. Backed by a team with deep gaming market insights, we strongly advocate creativity and self-sustainability and help Indian founders stand out in the highly competitive Gaming and interactive media sector.

At Ventana, we invest in the future of Gaming and interactive media, transforming visionary ideas into the next generation of successful Ventures.
